

Friends of Cavalcade

Friends of Cavalcade was formed in 2002, to enable interested members of the general public to become involved with Cavalcade. As a Friend of Cavalcade, not only will you be supporting the preservation of our wonderful collection, you will also:

- Receive a Newsletter 3 times per year;
- Have behind the scene access to the collection; and,
- Receive advance notice of Cavalcade Parades & Presentations.

Would you like to help Cavalcade?

As you can imagine, there are many tasks that go into making a parade, presentation or display happen, as well as the major task of preserving the collection. If you would like to help us, below is a list of the teams you could become a part of:

The Events Team helps to dress the models for parades, set up displays at presentations and by sharing your experience and promoting Cavalcade, being a Cavalcade Ambassador.

The Conservation Team helps to preserve the collection by mending, sewing and cataloguing.

The Administration Team performs behind the scene tasks including archiving, typing, filing and scanning. If you would like to become a Friend, please complete the application below.

Cavalcade is always eager to make and welcome New Friends
